

What to Expect From Your Mechanic

This presentation will cover what the aircraft owner should know about what the AMT should be doing in regards to aircraft maintenance and aircraft log book entries.

Directions: The Civil Air Patrol Facility is located to the left where Airport Road enters the airport boundry.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
